Dear Jerry:

Thank you very much for taking the responsibility of chairing the Task Force on Blacks meeting on Friday. The meeting will be held in Room 218 of the University Center. I have compiled several pieces of material. They are as follows:

1. A profile of Black students who have applied for student aid. Some are receiving aid in the form of scholarships, equal opportunity grants, work study, and loans.
2. Some pages from the Faculty Activity Analysis that give us reasonably accurate figures for Fall of 1972, regarding the headcount and FTE faculty in various ranks, as well as distribution by race and sex, by rank, and by academic area.
3. A brochure of a new scholarship program for minority students in engineering.
4. A memorandum that has been sent to Deans, Directors, and Department Heads from the Vice Chancellor for Academic Affairs, regarding the recruitment of women and minority group faculty.
5. A Statistical Summary of the University for 1971-72.
6. My response to Wilbur Hawkins' request that the Task Force meet with the AASLF.

I hope that this information will add to our understanding of where we are.

At the Friday meeting, I think we should focus on a refinement of the outline that is a part of the information reviewed in our meeting of February 16. I look forward to joining you on Friday, March 2.

Sincerely,

Hardy Liston, Jr.
Associate Vice Chancellor
